

Now Available from Butler Schein Animal Health

Butler Schein Animal Health is excited to announce that we are the **exclusive authorized National Distributor** of the ever-popular and most requested product...

Thundershirt is a terrific, drug-free solution for fear of thunder, fireworks, separation anxiety, travel, jumping, barking and more. Recommended by thousands of veterinarians and trainers around the world, Thundershirt's gentle, constant pressure has a dramatic calming effect for most dogs when anxious, fearful, or over-excited.

- ✓ Completely safe and comfortable for dogs.
- ✓ Very easy to use.
- ✓ Over 80% success rate.
- ✓ Available in 7 sizes.

Some interesting statics:

- More than 23 million dogs in the United States suffer from anxiety or fear issue(s),
- More than \$1 billion per year spent on dog anxiety and fear issue(s) products and/or services,
- Thundershirt has the highest success rate for achieving improvement in anxiety symptoms

To protect your profits, Thundershirts should NOT be sold below the \$39.95 retail price.
